### 1. Access

- 1.1. Exhibitors must comply with the times during which they are permitted entry/exit to the grounds and any constraints placed on parking within the grounds.
- 1.2. Passes will be issued and must be displayed on the dash/window of the vehicle at all times.
- 1.3. Registration numbers must be provided on entry or acceptance forms as requested. Only vehicles with pre-recorded registration numbers will be allowed access.

### 2. Parking

- 2.1. Commercial exhibitors are required to park their vehicles in the public car park. Passes allow temporary access close to sites for the purpose of loading/unloading only.
- 2.2. Horse exhibitors camping on site are entitled to park one horse transport 'vehicle' (one horse truck or one towing vehicle and float/gooseneck trailer combination) at their site or near their stables, as directed. All extra vehicles must be parked in the public car park area or designated overflow area. Horse exhibitors not staying on the grounds will be issued with a day pass and will park in designated areas as directed.
- 2.3. Fees for public parking may be applicable and are not necessarily included in camping or entry fees.
- 2.4. All exhibitors are to park vehicles as directed by RNCAS officials.

### 3. Other motorised transport

- 3.1. Due to safety issues, no exhibitors may use motorised transport on the grounds, including but not limited to golf carts, go-carts, quad bikes, trikes, motor bikes, electric bikes or scooters, with the exception of 3.2 below. Unauthorised users may be asked to leave the grounds.
- 3.2. Any person with a recognised disability or limited mobility is entitled to the use of motorised personal transport.

#### 3.3. Passes

- 3.4. Passes will be issued on the basis of the pre-supplied individual vehicle registration number and are not transferrable. If unforeseeable circumstances result in an exhibitor requiring access for a different vehicle, it is the exhibitor's responsibility to notify the RNCAS Administration Office of the substitution. Substitutions only are permitted; no extra vehicles will be allowed on the grounds, excepting in those circumstances as outlined in 6.1 below.
- 3.5. Passes will be issued with limitations as to time, date, and locations and will also specify entitlements for parking or loading/unloading restrictions.

### 4. Compliance

- 4.1. Any vehicle attempting to gain access at a time or date not specified for that vehicle will be refused access.
- 4.2. Any vehicle found parked on the grounds without displaying the proper pass will be towed away and all expenses will be the responsibility of the vehicle's registered owner.
- 4.3. Any vehicle with a loading/unloading pass found parked improperly on the grounds will be towed away and all expenses will be the responsibility of the vehicle's registered owner.
- 4.4. Any vehicle found improperly parked on the grounds at any time will be towed away and all expenses will be the responsibility of the vehicle's registered owner.
- 4.5. If there is any doubt regarding conditions of access or parking please verify details with the RNCAS Administration Office well in advance of arrival.

### 5. Special Consideration

- 5.1. Exhibitors who would be unduly disadvantaged by vehicle limits (such as those from the Horse Section with large numbers of horses to transport) may apply to the RNCAS Administration Office for additional vehicle passes. These applications will be considered on a case by case basis and must be received no later than two weeks prior to the show.
