## **CAMPING**

Camping sites for the 2019 ActewAGL Royal Canberra Show have significantly changed due to changes to the physical grounds of EPIC and the needs of the RNCAS. Traditional camping locations may no longer be in existence. New camping sites will be developed to cater for the larger transport rigs. Every endeavour will be made to locate camping sites near where your cattle are located. Please ensure you read the site rules and requirements before applying for camping.

**All applications for camping must be made at the same time as entering your cattle for the 2019 Show.**

Camping is only permitted for the period Tuesday 19th February 2019 from 12.00 noon to Sunday 24th February 2019.

All campers must leave the grounds by Monday 25th February 2019.

Camping sites will be allocated according to the size of vehicles & camping facilities as specified below.

A standard camping site is 8m x 3m. If your vehicle(s) or camping facilities when fully set up exceed 8m X 3m you are required to book and pay for extra 8m x 3m sites, sufficient to accommodate your vehicle(s) and all other equipment as set up. Ensure annexes are included in your measurements.

Vehicles allowed on the camping site will only be the camping rig. Service vehicles will only be permitted at the discretion of the camping staff and adequate space to accommodate the vehicle within your defined site must be booked and paid for in advance. If service vehicles are not allowed the difference in the fee will be refunded.

Every vehicle must be applied for on the camping form to receive authorised camping stickers. Vehicles must be housed only on the site booked. Any vehicle not authorised will be removed from the camping zones and moved to the offsite parking areas. Special areas will be developed for storage of floats or trailers for people staying off site.

All sites are booked for period Tuesday 19th February 2019 from 12.00 noon to Sunday 24th February 2019 inclusive regardless of length of stay. Fees are payable in advance as per the table on the camping form.

### **Electricity**

Many vehicles require connection to more than one 10 amp power outlet. If you require connection to more than one 10 amp outlet, additional power can be supplied at \$30.00 per 10 amp outlet. Each power outlet applied for will be provided with an authorised tag to attach to your power lead. Unauthorised leads will be removed.

Other rules and regulations may apply. Please refer to the 2019 Cattle Camping Application form.
