- ii. A fleece may be entered in only one fleece class (exception, Most Valuable Fleece) and only one fleece per animal may be shown.
- iii. Only one fleece that has been shorn in the 18 months prior to the show, may be shown from any animal, which, at the time of shearing, belonged to the exhibitor.
- iv. Return postage MUST accompany posted fleeces or they will not be returned until postage funds received.

**Annualised fleece weights will be used for days between shearing rather than the nearest month. This will allow a more precise calculation and a fairer assessment of the annualised fleece weight.
