for you

Welcome to the 92nd ACTEWAGL Royal Canberra Show

On behalf of the Royal National Capital Agricultural Society (RNCAS) I welcome you to the 92nd Royal Canberra Show.

We have introduced a number of changes to the Show this year which we hope will make the event more affordable, more enjoyable, and more inclusive. The changes are a direct response to us listening to feedback from the community on what they want to see at the Royal Canberra Show. The clear message is that they want us to retain many of the core features of the Show such as the animal exhibitions and competitions, the displays of art, craft and horticulture, and the entertainment and amusements available in Sideshow Alley and in the many pavilions. However they also want new features, new entertainment and new experiences.

“Canberra on Show” is a new precinct at the Show featuring local foods, drinks, entertainers and community groups. It will showcase the wonderful talents, skills and cultures that make Canberra such a great city. Complementing our local talent on the Saturday evening will be Gina Jeffreys, one of Australia’s leading country music artists.

Our NCG Main Arena features a number of new acts this year including bare back show jumping, car soccer, a kick for cash competition, harness racing demonstrations, and duelling excavators presented by local company Drive This Canberra.

We have a 360 degree virtual reality experience courtesy of Meat & Livestock Australia which allows patrons to understand the story of Australian lamb production. We have also increased the range of food offerings available and added more live entertainment around the venue. Over 30 hours of entertainment across three days of the Show and at gate prices which have been reduced by up to 40% compared to previous years. Great value for money!

I want to thank our sponsors for their generous support, and in particular ActewAGL who have been great supporters of the RNCAS and the Royal Canberra Show for many years.

A very big thank you also to our dedicated team of volunteers and staff who have worked tirelessly over recent months to deliver this Show for you. Without these people, we simply do not have a Show.

I sincerely hope you enjoy the 2019 Royal Canberra Show and the changes that we have introduced. As always we welcome your feedback as we continue on our quest to make the Royal Canberra Show one of the best and most anticipated events in the Canberra entertainment calendar.
