- 2.4. All exhibitors are to park vehicles as directed by RNCAS officials.

### 3. Other motorised transport

- 3.1. Due to safety issues, no exhibitors may use motorised transport on the grounds, including but not limited to golf carts, go-carts, quad bikes, trikes, motor bikes, electric bikes or scooters, with the exception of 3.2 below. Unauthorised users may be asked to leave the grounds.
- 3.2. Any person with a recognised disability or limited mobility is entitled to the use of motorised personal transport.
- 3.3. **Passes**
- 3.4. Passes will be issued on the basis of the pre-supplied individual vehicle registration number and are not transferrable. If unforeseeable circumstances result in an exhibitor requiring access for a different vehicle, it is the exhibitor's responsibility to notify the RNCAS Administration Office of the substitution. Substitutions only are permitted; no extra vehicles will be allowed on the grounds, excepting in those circumstances as outlined in 6.1 below.
- 3.5. Passes will be issued with limitations as to time, date, and locations and will also specify entitlements for parking or loading/unloading restrictions.

### 4. Compliance

- 4.1. Any vehicle attempting to gain access at a time or date not specified for that vehicle will be refused access.
- 4.2. Any vehicle found parked on the grounds without displaying the proper pass will be towed away and all expenses will be the responsibility of the vehicle's registered owner.
- 4.3. Any vehicle with a loading/unloading pass found parked improperly on the grounds will be towed away and all expenses will be the responsibility of the vehicle's registered owner.
- 4.4. Any vehicle found improperly parked on the grounds at any time will be towed away and all expenses will be the responsibility of the vehicle's registered owner.
- 4.5. If there is any doubt regarding conditions of access or parking please verify details with the RNCAS Administration Office well in advance of arrival.

### 5. Special Consideration

- 5.1. Exhibitors who would be unduly disadvantaged by vehicle limits (such as those from the Horse Section with large numbers of horses to transport) may apply to the RNCAS Administration Office for additional vehicle passes. These applications will be considered on a case by case basis and must be received no later than two weeks prior to the show.
