

Dear All.

This year's show welcomed much cooler weather which was enjoyed by all, not least by the small but very effective team of volunteers who help tirelessly behind the scenes to pull the show off. More volunteers are always needed at all shows, and even one extra set of hands on one day is greatly appreciated. As the saying goes, many hands make light work.

Entries were extremely low which unfortunately puts the alpaca section at risk. While I appreciate that Canberra is an expensive show to enter, the addition of more volunteers, particularly at pen set, would enable us to reduce pen prices as we would not require hired labour to assist with this.

A massive thankyou to the Suri breeders who attended this year as it was our best Suri turn up in a while with 34 entries.

Fleece entries were low as well, however, the quality of fleeces presented were very high with the Supreme Huacaya fleece exhibited by Softfoot receiving a point score of 84.5 and the Supreme Suri fleece being exhibited by Bumble Hill receiving a point score of 82 under the new matrix system. Judge Lyn Dickson and apprentice Amber O'Neill did a fantastic job of getting through the fleeces along with the volunteers, Tim Toshak, Graham Lugg, David and Pauline Rouse and Ann and Barry Ranyard.

Supreme Huacaya was won by Pacofino Maya with Supreme Suri being won by Alabaster Jester. A massive congratulations to both. Our judges Steve Ridout and Karen Caldwell did a fantastic job with Steve having to take over the reins after Karen made a spectacular exit from the show ring. Thankfully she is fully recovered (and suitably embarrassed!)

We also had a great presentation by Nathan Bailey and Fiona Vanderbeek of the new show system. This will be a massive help to convenors Australia wide and will make entering and running shows much easier for all. I strongly encourage all those that didn't get a chance to have a look, to make it a priority.

A massive thankyou to the Read family and Jennie and Alex Staples. A familiar crew who are always happy to jump into whatever role given to them and to Paul Haslin for his expertise and guidance.

A massive thankyou must also be given to all the sponsors, in particular Ian and Annie Frith of Millpaca and Julie Wilkinson of Baarookka. As premier sponsors, their contribution along with that of all sponsors is greatly appreciated. I must also thank some of our other major sponsors who sponsored multiple awards. Margaret Dorsch from Aberfeldy Alpacas, Trish Robb from Azzura Alpacas, Tracy Pratt and Cora Zyp from Coraz and Tallo Alpacas and the NSW Southern Region. It would be easy for people to underestimate the contribution sponsors make to a show.

I would like to thank all the exhibitors who attended as the effort to prepare your animals for a show this early in the season does not go unnoticed especially with drier conditions and the high levels of fires in our area.

A huge congratulations to the Vincentia School kids who took out the top prize in this years Schools Competition. This group of kids are a massive asset to our industry as their willingness and ability to help lots of breeders show their animals was not unnoticed. There are a true credit

to their families and teachers who should be incredibly proud of them.

In parting, I would like to remind everyone that the success of any show is a combination of volunteers, sponsorship and participation. While convenors will always do their best to juggle all aspects of the show, at the end of the day, to ensure a show is viable and sustainable we need volunteers, sponsorship and entries. If one or two of these areas fail, the whole show does. The workload of shows does not happen on the day. There are days of preparation and set up that most are unaware of and it is assistance on these days that truly makes a difference.

I hope you all enjoy the rest of your showing season.

Jess

RNCAS Alpaca Section Head, Convenor and Councillor.

# Southern NSW Region

[www.alpacasouthern.com.au](http://www.alpacasouthern.com.au)

The Southern NSW Alpaca Region is a vibrant and exciting region that stretches from the Southern Highlands to the Victorian border and is part of the Australian Alpaca Association Ltd.

The region encompasses some of Australia's best fibre growing areas and has a range of alpaca farms from broad-acre studs running hundreds of alpacas to smaller boutique studs and even hobby farms with just two or three alpacas.

The Southern New South Wales Region is one of the largest alpaca regions in Australia with studs breeding both suri and huacaya alpacas.
